**How We Will Calculate Your Balance:** We use a method called “Average Daily Balance (including Current Transactions).”
Procedures for Opening a New Account (USA Patriot Act): To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identify each person who opens an account. What this means to you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver’s license or other identifying documents.

Notice to Active Duty Service Members and Dependents: If you would like more information regarding your account, please call us at 1-877-488-3712.

How the Variable APRs on your Account are Determined: The APRs on your Account will be determined each billing cycle by adding a margin to the Index. Please see your Agreement for more information.

Margins: For Purchases and Balance Transfers, 19.74% will be added to the Index; for Cash Advances, 21.99% will be added to the Index.

Index: The APRs that apply to your Account are subject to change each Billing Cycle with changes to the Index. The Index is the Prime Rate (U.S.) as published in the Money Rates section of The Wall Street Journal. As of 12/11/2019, the Prime Rate was 4.75%.

Collateral Account: In order to establish and maintain the Card account (the “Credit Card Account”), and in consideration of the issuance of the Credit Card Account, you must establish and maintain an individual TD Bank savings account (the “Collateral Account”) that you designate to secure repayment of your Credit Card Account in your name, and you must grant us a security interest in the funds in the Collateral Account. The minimum credit limit for the Credit Card Account is $300, and you must deposit and maintain an amount up to your Credit Card Account credit limit in the Collateral Account within fifteen (15) business days from approval (if your account is approved). The amount you deposit into the savings account will be your credit limit for your Credit Card Account and you may not make any additional deposits or withdrawals from the Collateral Account while it secures your Card. When you apply for a Card and open a Collateral Account, you acknowledge that you specifically intend to grant us a security interest in any funds in the Collateral Account, regardless of when funds are added or deposited to the Collateral Account, and that this security interest is an express condition for your Credit Card Account. You also agree to sign all applications and documents that we may request from time to time that show that you have granted and assigned to us the security interest in the Collateral Account. If you do not pay your Credit Card Account balance or you or we decide to close your Credit Card Account for any reason, you authorize us to apply all of the funds in the Collateral Account to your outstanding Credit Card Account balance. You acknowledge that we will not discharge or release our security interest in the Collateral Account until all transactions, finance charges and fees and other charges that you owe under this Agreement have been processed and paid and you have otherwise performed all of your obligations under the Agreement. When we confirm that your Credit Card Account has been paid in full and is closed, we will discharge or release our security interest in the Collateral Account. Such account will no longer be a Collateral Account and we will make available to you any funds remaining in your former Collateral Account, which will now be a TD Bank savings account. You may use the TD Bank savings account for transactions in accordance with its terms and conditions. If funds remain in the TD Bank savings account and there is no activity with respect to such account, your TD Bank savings account may be considered abandoned. See your Deposit Account Agreement for details. If the outstanding Credit Card Account balance exceeds the amount of funds in your Collateral Account, you will remain liable for any outstanding Credit Card Account balances, including all fees or charges that my subsequently be charged to the Credit Card Account, until the Credit Card Account balance is paid in full.

About This Credit Card Program: This credit card program is issued and administered by TD Bank, N.A. (“TD Bank”) located in Wilmington, DE. Any Account opened in response to this application shall be governed by the laws of the State of Delaware. Visa is a registered trademark and service mark of Visa International Service Association and is used pursuant to a license.

Card Eligibility: To be eligible for an Account, you must meet certain minimum income, residency, age, credit quality and other requirements.

Balance Transfers: You may be able to transfer balances from eligible credit card accounts to your Account. Balance Transfers are subject to a fee based on the amount of the transfer with a minimum fee as indicated in the Fees Table and are subject to your available credit limit.

Should your Balance Transfer request be approved, the amount of the Balance Transfer transaction fee will be added to your minimum monthly payment amount in the month the balance transfer posts to your account. Each month you must pay at least the full amount of your minimum monthly payment which will include any Balance Transfer transaction fee(s) by the payment due date specified on that statement. The minimum Balance Transfer amount is $250 (plus the applicable Balance Transfer transaction fee for the Account). We may limit the number and types of credit card accounts from which we will allow Balance Transfers, and the times, manner, and circumstances in which Balance Transfers may be requested. Balance Transfers may not be payable to yourself or made payable to cash. Balance Transfers may be used to pay off other creditors but cannot be used to pay off accounts owned by TD Bank or to any bank now or previously affiliated with TD Bank.

It may take 2 to 4 weeks to process a Balance Transfer request after your account is opened. You must continue paying each of your creditors until the requested Balance Transfer appears on your monthly billing statement sent to you by your creditor as a credit. Your other credit card account(s) will not be closed even if you transfer your entire balance(s). If you want to close an account, please contact your other creditors directly.

Transfers requested with Convenience Checks are processed as Cash Advances, not as Balance Transfers. If you have a dispute with a creditor and pay that creditor with a Balance Transfer or Convenience Check, you may lose certain dispute rights with that creditor.

December 2019
Cash Advances: Cash Advances obtained from a financial institution, an automated teller machine, or any other party that agrees to honor the credit card for cash advance purposes, and all Convenience Checks (including Convenience Checks used to transfer balances) posted to your account are considered Cash Advances. Cash Advances are subject to a transaction fee (see Fee Table above) and the amount of the Cash Advance transaction fee charge will be added to your minimum monthly payment amount in the month in which the Cash Advance posts to your account and which will be due by the payment due date specified on that statement.

How to Avoid Paying Interest on Purchases: We charge interest on Balance Transfers and Cash Advances beginning on the transaction date (see your account disclosure for the applicable APR, including any promotional rates). We charge interest on Purchases beginning on the transactions date unless you pay your entire balance, which includes all purchases, Cash Advances and Balance Transfers by the payment due date each and every month. Please see your Personal Credit Card Agreement for more details.

Credit Reports: You agree that we have a right to obtain a credit report in connection with our review of your application if approved after we establish the Account, to administer the Account. You agree that we may report to others our credit experience with you. At your request we will provide the name and address of each consumer-reporting agency from which we obtained a report about you.

Your Telephone Number: When you give us your mobile phone number, we have your permission to contact you at that number about your Account. Your consent allows us to use text messaging, artificial or pre-recorded voice messages and automatic dialing technology for informational and account service calls, but not for telemarketing or sales calls. It may include contact from companies working on our behalf to service your accounts. Message and data rates may apply. You may contact us anytime to change these preferences.

Rewards Agreement for the TD Cash Secured Credit Card

This Rewards Agreement includes important terms, conditions and limitations that you should understand. Use of your TD Cash Secured Credit Card Account ("Account") constitutes your acceptance of the following terms. Please read this Rewards Agreement and keep it in a safe place.

- Capitalized terms not defined in this Rewards Agreement have the same meaning as in the Credit Card Agreement for your Account.
- "You", "your" and "yours" mean each person who applied for the Account and the person to whom we direct billing statements.
- "We", "us", "our" and "TD Bank" mean TD Bank, N.A., and its affiliates.
- To participate in the Rewards Program, your Account must be open and in good standing, which means that your Account is not in Default as described in your Credit Card Agreement.
- We may make changes to this Rewards Agreement at any time and you may lose Points you have earned as more fully described later in this document.
- This Rewards Agreement may be supplemented with additional terms, conditions, disclosures, and agreements that will be considered part of this Rewards Agreement. For the latest version of the Rewards Agreement and your Redemption Rules log in to rewards at tdcardservices.com ("Rewards Program Website"). We may refer to this Rewards Agreement as "Program Rules" in other documents.

How do I earn rewards?

- You earn "Points" when you use your Account to make Purchases less credits, returns and adjustments each billing cycle. Not all transactions made with your Account will qualify as a Purchase for purposes of earning rewards—those restrictions are more fully described later in this document.
- You earn three (3) Points for each one-dollar ($1) of Dining Purchases; two (2) Points for each one dollar ($1) of Grocery Store Purchases, and one (1) Point for each one dollar ($1) of other Purchases.
- Merchants who accept Visa credit cards have a Merchant Category Code ("MCC"), which is determined by the merchant or its processor in accordance with Visa procedures and is based on the kinds of products and services they primarily sell. We do not determine which MCC a merchant uses. We group similar MCCs into rewards categories to help you earn rewards on purchases made at specific merchants. We make every effort to include all relevant merchant codes in our rewards categories. However, even though a merchant or some of the items it sells may appear to fit within a rewards category, the merchant may not have a merchant code in that category. When this occurs, purchases made at that merchant will not qualify for rewards offers on purchases in that category. Purchases made at merchants that do not process transactions using one of these MCCs will only qualify for one (1) Point per dollar ($1). In addition,superstores and warehouse clubs will only qualify for one (1) point, regardless of the MCC.
- Points are earned on each individual Purchase transaction and, therefore, we employ rounding to determine how many Points to award for each Purchase. We round up to the next whole Point if the calculation results in ½ of a Point or more and down to the nearest whole Point if the calculation results in less than ½ of a Point.
- You may be offered opportunities to earn additional Points ("Bonus Points"). Related terms will be provided with the offer.
- Points earned are estimated based on the authorization amount reported by retailers and are subject to be changed based on returns and retailer adjustments.

Are there any transactions that do not earn Points?

- Yes, the following types of transactions do not earn points and are not eligible for Purchase Redemption Credits: Balance Transfers, Cash Advances, purchases of travelers checks, money orders, lottery tickets, gambling chips, wire transfers, foreign currency, purchases or reloading of prepaid cards, or purchases of any other cash equivalents, fees, interest charges, disputed and unauthorized or fraudulent charges, account refunds, rebates, and similar credits are not eligible to earn Points and are not considered a Purchase for purposes of earning rewards.

How are Points converted to Cash Back?

- You may redeem once you have accumulated at least 2,500 Points as either a statement credit or direct deposit into a checking or savings account held by a financial institution located in the United States ("Cash Back"). Account statement credits will reduce your outstanding balance, but you are still required to make at least your minimum monthly payment.
- Upon redemption one (1) Point is worth one penny ($0.01) when redeemed for Cash Back. Here is an example of how Points are converted to Cash Back: 20,000 Points are redeemable for $200 Cash Back.

How can I redeem my Points?

- Points may only be redeemed by the primary Cardholder at specified levels for a variety of Cash Back, gift cards, merchandise and travel. Specific gift cards, merchandise and travel are subject to availability and additional terms and conditions.
- Each Point is worth at least one penny ($0.01) when redeemed for Cash Back, gift cards or travel. Redemption values for other reward options, such as merchandise, may be worth more or less than that or not be assigned a dollar value.
- For additional information and to redeem, log in to Rewards Program Website or call 1-888-561-8861.

Do Points expire?

- No, as long as the Account remains open and in good standing, your Points will not expire and there is no limit to the number of Points that may be earned.

December 2019

• If your Account is not open to new Purchases, you cannot redeem your Points until it is open to Purchases again.

Can the Rewards Program change?

• Yes, the Rewards Program may change. We may, at our sole discretion, cancel, modify, restrict, or terminate the Rewards Program or any aspects or features of the Rewards Program at any time.
• If we materially change or terminate the Rewards Program, we will provide you with 30 days advance notice. Examples of material changes include: if we were to reduce the rate at which you earn Points, or if we were to increase the minimum redemption amount for Cash Back.

• You consent to and authorize us and any of our affiliates, agents and service providers to monitor and/or record any of your telephone conversations with any of our or their representatives for quality control, training and other lawful purposes.
• If any part of this Rewards Agreement is found to be void or unenforceable under applicable law, all other parts of the Rewards Agreement will still apply. We may delay or waive enforcing any of our rights or remedies without losing them.
• The Rewards Program is offered by TD Bank and may be administered or serviced by third parties who are not affiliated with TD Bank. You agree that TD Bank may share information about your Account and Account transactions with such third parties to administer and service the Rewards Program.
• TD Bank may assign its rights and obligations under this Agreement to a third party who will take our place in this Agreement.
• By participating in the Rewards Program, and accepting and using rewards earned, you or any other beneficiary of the Rewards Program release, discharge and hold harmless TD Bank and their respective parent companies, subsidiaries, affiliates, agents, administrators, service providers, employees, officers, directors, successors and assignees from all claims, damages or liability including, but not limited to, physical injury or death, arising out of participation in the Rewards Program or travel taken or use of products purchased in connection with the Rewards Program.
• The merchants and service providers that participate in the Rewards Program are solely responsible for the quality and performance of any products or services they provide, are not affiliated with TD Bank, are not sponsors or co-sponsors of the Rewards Program, and are subject to change without notice. All participating third party service provider names, logos and marks are used with permission and are the property of their respective owners.
