

Balance Transfers. We may be able to transfer balances from eligible credit card accounts to your Account. **Balance Transfers are subject to a fee based on the amount of the transfer with a minimum fee as indicated in the Fees Table and are subject to your available credit limit.**

Should your Balance Transfer request be approved, **the amount of the Balance Transfer transaction fee will be added to your minimum monthly payment amount** in the month the balance transfer posts to your account. Each month you must pay at least the full amount of your minimum monthly payment which will include any Balance Transfer transaction fee(s) by the payment due date specified on that statement. We may limit the number and types of the credit card accounts from which we will allow Balance Transfers, and the times, manner, and circumstances in which Balance Transfers may be requested. Balance Transfer may not be payable to yourself or made payable to cash. Balance Transfers may be used to pay off other creditors, but cannot be used to pay off accounts owned by TD Bank or to any bank now or previously affiliated with TD Bank.

It may take 2 to 4 weeks to process a Balance Transfer request after your account is opened. You must continue paying each of your creditors until the requested Balance Transfer appears on your monthly billing statement sent to you by your creditor as a credit. Your other credit card account(s) will not be closed even if you transfer your entire balance(s). If you want to close an account, please contact your other creditors directly.
